++ Valid for broadcast between 0600 and 1800

Headline:
Dry, bright and warm on Friday.

Today:
Overnight mist soon clearing. Otherwise all parts will be dry with good sunny spells, the best of these in the afternoon. Feeling warm, although a little cooler across eastern coastal districts. Maximum temperature 22 deg C (72 deg F).

Tonight:
A good deal of late evening sunshine, then lengthy clear spells to start the night, but cloud increasing from the west later, perhaps some fog along the north coast. Minimum temperature 8 deg C (46 deg F).

Saturday:
A mostly cloudy day, the best of any sunshine in the south. Cloud will be thicker towards the north coast, perhaps some mist or fog at times. Maximum temperature 23 deg C (73 deg F).

Outlook for Sunday to Tuesday:
Largely dry and settled with light winds. It is likely to be rather cloudy at times, but some bright or sunny spells also possible.
